Dear Volunteer,

Thank you for completing this form. We truly appreciate your willingness to help. These are the important qualities we look for in a volunteer:

Consistency - our animals need this and so do we. We are asking for at least a 6 month commitment (we ask foster volunteers to commit for a minimum of one week)

Dedication - We certainly realize that rescue work can often be unglamorous, thankless and grueling. Please let the thankful eyes of our animals be a continual reminder of how important our work is. The truth of the matter is that without our dedicated volunteers working together as a team, most of these animals would literally not be alive!! We hope you'll find your experience to be rewarding.

Reliability - We ask that you give us a minimum of 2-3 weeks notice if you are unable to complete your specific weekly assigned duties. Please e-mail us in advance at almosthome1965@aol.com if you are unable to complete your duties. Otherwise we'll be expecting and counting on your help.

Every volunteer must read our COMPLETE website before volunteering. This will give you an idea of who we are. You can also read about our rescued friends online at www.almosthomeanimals.org to become familiar with them. when you meet them at the pet adoptions.

Thank you so much for volunteering for Almost Home. We are thrilled to have you on board!!!
